#	SELECTION	MARKET	ANALYSIS (POWERED BY DAZTECH DB)
1	QLD Maroons +4.5 Line	~\$1.90	QLD's spine (Ponga/Munster/Walker/Grant) has 4 of the top 7 fantasy scorers in our DB. NSW has 6 Origin debutants in their 20-man squad. QLD's experienced core + mobile forward pack keep it within a try.
2	Hamiso Tabuai-Fidow Anytime Try Scorer	~\$2.50	7 tries + 7 assists in 10 games this season. 173m per game . 3 tries in last 5 Origin appearances. Matched against debutant Koula on NSW's right edge — QLD will target this channel.
3	Brian To'o Anytime Try Scorer	~\$2.02	7 tries in 11 games. 7 tries in last 5 Origin games. 45 tackle breaks, 8 line breaks in 2026. NSW's #1 attacking weapon on the wing. Historically inevitable at Origin level.
4	Sam Walker Anytime Try Scorer	~\$5.00	5 tries + 8 assists in 10 games for Roosters. 11.0

fantasy pts/game — elite for a halfback. Origin debutant replacing injured Dearden. Devil-may-care attitude — runs support lines through the middle. **Value leg.**
